

Dear Sir (s):XM Satellite radio provides to me, a variety and quality that are not currently available elsewhere. I pay for these services and feel that it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I Respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that you demand and deserve.

Thank You

J. West
